Reference: Amended October Quarterly Report (7/18/02-9/30/02), dated 10/28/02

Dear Mr. Melookaran:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A supporting Line 15 of your report discloses a receipt from the Kansas Republican Party that appears to be a contribution and may exceed the contribution limits set forth in the Act (see attached). You should examine all of your contributions to check for additional excessive contributions. The Committee's procedures for processing contributions should also be reviewed.

A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained within sixty (60) days of receipt if, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11
